

DVD REVIEW.

Not many coaches can say that they taught an all time tennis great. Pete Sampras is one of the all time greats, and for many years he was coached by **PAUL ANNAONE**. Now Annacone has produced a series of 4 DVDs which reveal the key strategies and tactics necessary for overcoming any type of opponent. Numerous scenarios are presented, along with drills and practice games for improving match-specific strategy.

The DVDs are:

- **Know Your Own Game** – assess your style of play.
- **Beat The Baseline** – key strategies to use against the baseliner.
- **Neutralize The Net-Rusher** – how to gain the advantage v the Sampras style.
- **Attack The All-Court Player** – capitalize on the opportunities this type of opponent allows.

These DVDs are very useful in deepening a coaches understanding of the tactical/strategical elements of the game.

Tim Henman, who was also coached by Annacone, writes:

“Paul has a terrific knowledge of the game and can really help people at all levels learn the most effective ways to play the game and make the most of their potential”.
